

# A Counting Walk

How many different yellow flowers can you count?

How many seed heads can you find?

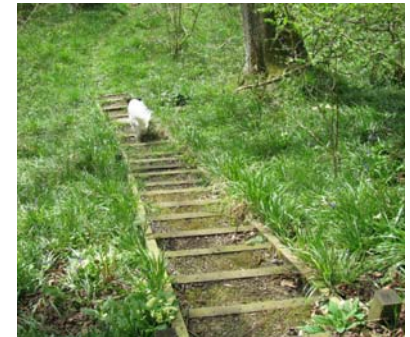

How many different fungi can you count?

How many log piles can you count?

How many steps can you count?

This is a Wall Brown butterfly.  
How many butterflies can you count?

How many prickly plants can you count?

How many dragonflies and damselflies can you count?

How many dragonflies can you hear flying?
